## INSTRUCTIONS

1. Use a fan brush to apply 3 coats of Chiffon to the outside of the mug. Allow the mug to dry.
2. Paint the inside of the mug with 3 coats of Lemon Mist.
3. Use the NCR pattern to trace on the cat pattern by pressing firmly with a pen as you trace over the design.
4. Fill in the cat with 3 coats of Fresh Heather, working around the center of the ears, the eyes, and the stripes.
5. Fill in the stripes on the cat using a detail brush and 3 coats of Grape Soda.
6. Use a detail brush to add Snowflake to the whites of the eyes.
7. Fill in the nose with 2 coats of Passionate Plum.
8. Next, fill in the rest of the eyes with 2 coats of Olive You.
9. With a marker, sketch out your desired words. We used "cat mom".
10. Paint in the words with 2 coats of Olive You.
11. Paint the pupil on the eye with 2 coats of Licorice.
12. Outline the cat with a messy broken outline using Licorice. Water the Licorice down with 50% water to 50% paint.
13. Paint the handle with 3 coats of Olive You.
14. Finally, dip the handle of the detail brush into Snowflake and add a highlight to each eye.

## TIPS

- When using a detail brush, the harder you press on the brush the heavier the lines will be.
- 3 coats of paint will give you a solid color.
- The marker will burn off completely in the firing process.
